INTERCULTURAL PLAYGROUND BROCHURE

During the Youth Exchange “Accept me, accept my culture”, that was held in Kranj, Slovenia (May 2017), 24 participants have created different games based on their childhood memories. Brochure contains 4 different games that were presented on Intercultural Playground event during Youth Week Kranj. To make it easier for you, we prepared easy steps how each game works, what do you need and how many people can play it together.

We wish you nice time while playing,
Accept me, accept my culture team!
